Extra Fun at Jeju Swing Camp

Travel Cups: Since 2019, we have not used disposable cups. All participants must bring their own tumblers. Carrying a tumbler can be a little inconvenient. If you do not have a personal tumbler, please refer to the information below.

1. You can rent a tumbler after arriving in Jeju through Jeju Blue Cup. Before arriving, please visit <http://pruncup.com> to familiarize yourself with how to rent.
2. You can buy a nice tumbler made by us^^

Beach Concert : On Saturday, July 15th, there will be a concert held at Ito Beach. The performance starts at 7pm, but guests are encouraged to arrive early to enjoy sightseeing and visit the area surrounding the beach. Prior to the start of the jazz festival concert, there will be a beach plogging event to help the environment.

Carpool Program: This year, many guests are joining us from overseas. If you rent a car and there is an extra seat, make a friend to carpool with and create happy memories! Solo travelers without a rental car can apply for the camp's carpool program, too! Carpool application is available through the camp website.

Outside Food: Because meals and late night snacks are not provided, we encourage participants to bring snacks and drinks. The fridge in the rooms is quite spacious and can hold quite a bit.

NOTE : Please don't share room information with people other than those sharing the room. Otherwise, trouble can sometimes arise. Also, always have the last member to leave the room give the key to the front desk so other guests can enter when they need to.
